

SDS *Global Logistics*[®]

A Full Service Transportation Company

Built on over 60 years of *Personalized Service*

SUCCESS

THROUGH CUSTOMER SATISFACTION

In the transportation business, the success you achieve is determined by the customers you satisfy. Our customers and their response to our dedicated personalized service, has been the key to our growth.

It is an integral part of our mission to make sure that your delivery is trouble-free. It is also a critical part of our mission to deliver exceptional personalized service at reasonable costs. We provide the most efficient and effective combination of services to make sure that your delivery is made promptly, economically and safely.

In over 60 years of operation, SDS has earned the trust and respect of its many customers and we pledge our commitment to do the same for you. Our customer response to our secure, dedicated and conscientious service is how we intend to keep growing long into the future.

SERVICE

THE DIFFERENCE IN LOGISTICS

SDS has built its business and reputation on the premise that quality, personalized service is the main difference in the transportation and logistics industry. SDS has a culture of creating solutions unique to each customer. This culture is carried out by industry professionals who know and understand the needs of their customers. Every package, every service, every time. We care about a delivery reaching its final destination as much as you do!

From initial call...

...to final destination.

INTEGRATED SERVICES

SDS is a customer-driven, full-service transportation company with a global presence. The Company's services include:

Tri-State Courier, Worldwide Logistics, Global Mail and Fulfillment, and Warehouse Logistics. As a leader in the transportation industry, SDS gives its customers access to the latest technologies for on-line

ordering, tracking, reporting, and billing. SDS has serviced customers of all sizes — from small businesses to Fortune 500 companies. Whether your shipment is moving across town or around the world, SDS knows how to get it there safely, economically, and on time.
